

**Department of Workforce Services (DWS)  
Salt Lake & Tooele Employer Committee  
Better Your Business Workshop**

## **“Get H.I.P”**

**Presented by  
Utah Dept. of Health  
Intermountain Healthcare**

### **What Health Programs Are Available From the State of Utah? How Can This Help Your Business be *H.I.P*?**

- CHIP** - The Children's Health Insurance Program covers medical and dental services for children.
- PCN** - The Primary Care Network provides basic preventive medical and dental care for adults.
- CAW** - Covered at Work is a premium subsidy program that can help pay monthly costs of an employee's health insurance.
- HIP** - Utah has a high risk insurance pool. This program is available to provide coverage for people who are unable to buy private health insurance because of their health status.

**Date: February 8th, 2006  
Time: 7:30-9:00 a.m.  
Place: Business Service Center  
Department of Workforce Services  
1385 S. State Street, Room 157**

The Better Your Business workshop series highlights community resources to Utah businesses and how you can utilize them more effectively. The workshops are offered bi-monthly, at **NO COST**.
